RE: Stillwater County Strongly Supports SB 108 as amended

Distinguished Chairman and Members:

Stillwater County Commission **strongly supports** SB 108 as amended, because counties need to have a voice when state and federal agencies set policies on large predators that could impact humans and livestock in their counties.

SB 108 as amended would give counties the opportunity to take part in the policy decisions along with state and federal agencies on large predators and large game species issues.

Please vote **yes** on SB 108 as amended.

Thank you.

Sincerely,

STILLWATER COUNTY BOARD OF COMMISSIONERS
